

*We are delighted to introduce our Wine List – a cornucopia of styles and grape varieties to suit all occasions and to marry with our wonderful seasonal menus. The list has been compiled after a series of discussions and tastings with our wine supplier, Tim Ferguson, whose career in wine started in Burgundy in 1977 where he worked as a ‘stagiare’ (trainee) with a merchant in Beaune. Since then he has forged many long term relationships with producers from around the world and to-day he is able to share them with us.*

*We have presented the Wine List by style to help you make your preferred choice with any of our dishes.*
